A Wet Year in the Duck Factory

Follow Delta Waterfowl's Scientific Director Dr. Frank Rohwer, as he reports on the excellent breeding conditions of the 'Dakota Duck Factory' this spring...

"The benefits of wet years are lots of nesting, lots of re-nesting... and high brood survival," says Dr. Rohwer. "This year throughout the Dakotas we're going to have great duck production I suspect."

Partner Spotlight - Budweiser

Budweiser is one of Delta's longest term partners dating back to 2002. In that time, Budweiser has been the sole sponsor of Delta's Voluntary Restraint (VR) program and has also provided grants through its Cents per Case program to support Delta research across the Prairie Pothole Region.

Delta's Vice President of Membership and Marketing Pat Hudak comments on the relationship, "Budweiser has long established their leadership in conservation and supporting the sporting lifestyle and we continue to be honored and privileged to be a part of their conservation and hunting team.

For more information: www.budweiser.com.

New Delta Chapters

For more information on starting or joining a Delta Waterfowl Chapter in your area please call Delta's Bismarck North Dakota office at 888-987-3695 or [visit Delta's Chapter page](#).
